Drawings

1. The drawings were received on October 16, 2000. These drawings are accepted by the Examiner.

Allowable Subject Matter

2. Claims 1-2, 5-7, 9-11, 13-14, 16-17 are allowed.
3. The following is an examiner's statement of reasons for allowance: Claims 1-2, 5-7, 9-11, 13-14, and 16-17 are allowable over the prior art of record. The prior art of record fails to teach or suggest an information processing system for replying to customer inquiries as recited in Applicant's claims and as argued in the remarks filed on September 4, 2006. The prior art of record fails to teach or suggest an information processing system for replying to customer inquiries as recited in the claim language including when a customer inquiry is already stored but the solution for said inquiry is not stored in a past and new inquiry storage, the reply priority for the customer inquiry is revised to be higher value and thus revised reply priority is transferred to another reply system together with said customer inquiry.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
